# 2024 WEDDING SHOWCASE

## Bohemia Manor

Chesapeake City  
Sunday, July 14, 2024  
1 to 4 pm

Share your products and services with attendees planning a wedding! Held at the elegant Bohemia Manor you will have a 8 x 8 space—see package information for details—which includes a table and two chairs, to showcase your business.

Package your booth with inclusion in the Fall/Winter issue of Chesapeake Bay Wedding Magazine for the full emersive experience.

### Booth Design

*Be Creative! Put some heart into creating your booth, make this space more than a simple table with pamphlets. Show prospective clients how wonderful you and your business are. We are happy to assist you by suggesting ideas, so do not hesitate to ask us for guidance and support.*

### Web Presence

Your logo and link to your website will be included on the Chesapeake Bay Wedding event page that will be accessible even after the event.

### On-Site Recognition & Promotion

In addition to your booth space, your information will be in the printed + digital vendor guide. You'll have the opportunity to provide giveaways, marketing collateral, coupons, or freebies at your table and/or pre-stuffed in swag bags.

### Guest Lead List

Event vendors receive the lead list of opt-in guests from both the in-person event and virtual experience.

### Networking Opportunities

You'll receive the contact information for the participating vendors of your event, as you'll be encouraged to collaborate. We know that working alongside other like-minded vendors builds a great referral base and a really stunning event.
